

# Consulting at Huawei through Incluso

*Huawei is a global giant in the telecom sector and is currently growing in Sweden. In Sweden Huawei have R&D departments in Stockholm, Gothenburg and Lund.*

## **Qualified partner**

All new roles at Huawei in Sweden are consultancy based and Incluso is a qualified partner for hiring consultants to Huawei. This means you will be employed by Incluso and work as a consultant at Huawei.

## **Employment benefits**

Incluso consultants earn competitive salaries and we follow the Swedish collective agreements. Some of the benefits:

- Fast track to EU work-permit
- Support with relocation
- You have 25 days of paid holiday
- Each month we pay towards your supplementary pension

As an extra benefit we also offer our consultants a private health insurance with quick access to private specialist care and accident insurance.

You will also benefit from everything in the Swedish welfare system, including: health care, parental benefits, child care etc.

## **For non-EU citizens**

Incluso is a certified partner of the Swedish Migration Agency and the process of obtaining a work-permit is limited to two weeks.

We will do everything we can to support you and we are always available for any questions you might have.

***Welcome to Sweden and Incluso!***
